

**UPDATED
27TH ANNUAL QUILT AUCTION
2011 REPORT**

Prayers were answered the morning of the quilt auction...the skies cleared just in time to set up outside for the auction. The weather was PERFECT throughout the auction. The God Lord knew what he was doing! There were 125 bidders who purchased 218 quilts and hand crafted items. The two-day event total was \$44,886.90. In addition \$5,865.00 was raised for the fund a need project. This will help fund the air conditioning of the Lodge at St. Andrew Village.

Green Lake Lutheran Ministries thanks everyone involved with the event. Without the quilters, crafters, donors, volunteers, bidders and buyers this event would not be possible.
