Our Staff-in-Training program is designed for high schoolers who can't wait to be camp counselors! S.I.T.'s will be immersed in camp life, while getting the opportunity to learn and grow in their own leadership and ministry skills. Throughout the week, lessons will be taught on worship planning, devotion and Bible study leading, and small and large group game leading. If you think growing in faith and participating in wacky camp antics is fun as a camper, you will LOVE it from the other side!
