## Middle School Church Retreat

September 26-27, 2025 | Shores of St. Andrew  
Participant Fee: \$100

Come away to camp this fall for a weekend full of energy, connection, and meaningful growth. We're introducing a variety of new games and activities designed to help you grow as a leader, explore how God sees you and the universe, and create unforgettable memories running through the woods with new friends. Confirmation groups will have time set aside for their own unique programming. Not part of a church group? No problem! Just let us know on the registration form. Bring a friend or come solo—either way, we'll build a new community with you in it from the moment you arrive. **Register by Tuesday, September 16<sup>th</sup>.**
