## High School Harbor Retreat

**October 3-5, 2025 | Shores of St. Andrew**  
**Participant Fee: \$160**

Step away from the everyday—and come experience something real. Whether you're laughing with new friends, exploring big questions in community, or finding a quiet moment with God, this weekend is for you. This retreat offers an opportunity for deep community as well as time alone —because sometimes we need space to remember who we are and people to remind us we belong. Come with a friend or come on your own—you'll be welcomed like you were always meant to be here. **Register by Tuesday, September 23<sup>rd</sup>.**
