

August 13, 2020

Dear Friends of Green Lake Lutheran Ministries,

We have missed seeing you all here at camp! The summer was certainly not typical here at GLLM, but we continue to look forward with hope for what is to come. **As we transition into a new season of programming, we wanted to make sure you are updated on what is happening with the mission and ministry of GLLM.**

We continue to follow industry guidance from the State of Minnesota and the CDC in all areas of operation at our three sites. While we are not functioning as we normally would, there are many ways that we have been able to safely have guests onsite. **We are currently able to host retreat groups of various sizes, depending on the space requested and current capacity and safety guidelines.** With numerous indoor and outdoor spaces, it has been good to have small groups of people here again.

If you are interested in what ways you might be able to utilize some space at camp, please give us a call. We would love to hear from you! You can also find more information about our current safety protocols and group capacities on our website. If your group doesn't fit the current safety recommendations, please know that we can't wait to see you again, and we will work with you to find a date that does work as soon as it is safely possible!

As things change, we will continue to keep you updated. **We hope you are safe and well, and are looking forward to seeing you at camp again soon!**

Blessings,

GLLM Staff & Board
