DAY 3: CALLED TO FORGIVE

JESUS FORGIVES CROSS

Materials:

- Yarn (you can use any colors you have on hand!)
- Cardboard
- Sharpie
- Scissors

Instructions:

- Cut a rectangular frame out of cardboard (the thicker you make it, the stronger it will be). Ask a parent for help with this step!
- Once you have your rectangular frame, start wrapping your yarn around it, first length-wise and then width-wise. You can make your cross as thick as you like. Once you are finished wrapping, you can tie the end pieces of the strand together and hide it amongst the rest of the yarn.
- With a second color of yarn, tie a bow around the middle of the cross.
- At the bottom of the cardboard, write "Jesus" on one side of the cross base and "Forgives" on the other side, as a reminder that we are called to forgive in the same way that Jesus chooses each and every day to forgive us!
