

## GLLM Protocols | Stay Safe MN

GLLM Worships Spaces -- Weddings, Funerals, Baptisms  
Updated March 14, 2021

Green Lake Lutheran Ministries is committed to high standards of safety during the COVID-19 pandemic. This document should be read thoroughly to understand the protocols that GLLM has in place and the expectations for guests using indoor worship spaces.

### Restrictions for Use of Indoor Worship Space

GLLM reserves the right to change these policies to be more or less restrictive as the COVID-19 pandemic changes.

---

**All services require an ordained clergy member. Please make sure your clergy is on board with these guidelines prior to moving forward with your service.**

**Space Capacity:** The capacity of the Green Lake Bible Camp Stave Chapel is 250 people. At this time, there is no capacity percentage limit. However, households must be 6 feet apart, which will reduce the capacity. With that understanding, the current limit is **150 people** (including clergy, musicians, wedding party, photographer, guests, etc.).

#### Required Accommodations:

- Masks are required in the worship space at all times for all guests and service participants.
- Six feet of physical distance is required between all guests. In the case of household units, six feet of physical distance is required between groups.
- Singing is permitted (though still strongly discouraged) as long as everyone remains masked.
- Distribution of communion is allowed if done safely. We recommended pre-packaged communion if possible.
- Receiving lines are not allowed

#### It is your responsibility to pre-screen by communicating the following to your guests:

- Have you experienced symptoms of COVID-19 in the past 14 days? Symptoms of COVID-19 can include cough, shortness of breath, fever, chills, headache, muscle pain, sore throat, and/or loss of taste or smell. Other less common symptoms include gastrointestinal symptoms like nausea, vomiting, or diarrhea. *If so, stay home.*
- Have you had known exposure to the COVID-19 virus in the past 14 days? If so, stay home.
- If you fall into the category of vulnerable to COVID-19, *you should not come.*

**Additional Guidance:** Please make sure you have a good understanding of the current guidelines for the state of MN, which can be found here:
