Housekeeping Specialist

Updated Summer 2024

Formerly Green Lake Lutheran Ministries - new name, same mission.

Summary

The Housekeeping Specialist serves as a key member of our hospitality team and is integrally involved with creating spaces that reflect our core value of radical hospitality. We strive to be attentive to all the needs of our guests and campers and then go the extra mile to make sure their experience is one that they will write home about! By giving specific attention to details of cleanliness, our sites are ready to serve safely, vibrantly, and intentionally for whatever the purpose of the retreat group or summer camp.

The Housekeeping Specialist will report to our Director of Hospitality Ministries, working alongside the Custodial Specialist in preparing spaces for guests. Although our organization operates three different sites, duties will take place at Green Lake Bible Camp in Spicer and at Shores of St. Andrew near New London.
